Besides, it kind of hurts to know that you don't seem to think very highly of me!
I don't want to hear you say you can't do anything right or all you do is mess up again!
In that case,

Afterword

Just like every other time, I ended up finishing this right in the nick of time. I do realise that's not good, though.

Isn't MahoPre great? I'd love to marry both Mirai and Riko. I think that would be awesome.

Haa-chan is cute as well.

Yeah!

Kazuma.
